The Glowing Faces of Your Kiddies Will Reward You for Your Visit to Greenhut's Toy-town

Your little son—your little daughter—your little nephew and niece—are wanted here, at Greenhut's Popular Big Store.

How well they will be taken care of this Yuletide will be evident the minute you arrive at the Fifth Floor of our Main Building. Here is Santa Claus in person in all his gorgeous trappings, alighting from his reindeer sled.

Take a look at him yourself—then see how he affects the little one who accompanies you.

Surely a great reward for your trouble in coming downtown. For youngsters little and youngsters big, there's a treat in store.

We Offer You Your Choice of More Than 1,500 Beautiful Imported Vases

Worth \$3 to \$4 \$1.49

A miracle of value—and a sale which comes right in the nick of time for the Christmas gift-giving season.

Shapes and designs that you would only expect in vases which would cost you triple the price which we name—but that's Greenhut's way of doing things at Yuletide.

You have choice of 18 shapes and decorations, and surely you can find a niche in your own home or in that of a friend for one of these beautiful ornaments. 12½ to 13½ inches high, 5½ to 6½ inches in diameter, artistically wrought by master potters. Where can you find better value for your money?

Never in the whole course of our experience have we been able to offer such beautiful specimens of the potter's art as these.

We illustrate six of them—there are twelve others ready for your inspection in our Annex Building tomorrow.
